1. Introduction

Dear Tenderer,

Thank you for the interest you have shown in response to the SMBBMU's NIT which has floated in Daily The Express Tribune on June 1st, 2025, Daily Express on June 1st, 2025 & Daily Kawish on June 03, 2025, & SPPRA website through EPADS System & University website for development & implementation of customised modules for ERP system at our University.

Shaheed Mohtarma Benazir Bhutto Medical University, Larkana is premiere educational institute in Upper Sindh imparting quality education to the nation. We are interested to develop a modern ERP system that meets the requirements of our institute to achieve its business objectives with the support of your esteemed firm.

We expect to avail services/works/items of high standards meet our prime & basic specifications through this transaction.

Please feel free to contact on 074-9410912 or pplo@smbbmu.edu.pk for any information and query.

Thank you.

-sd-

Planning, Procurement & Logistics Officer

2. Instructions

- (a) Shaheed Mohtarma Benazir Bhutto Medical University, Larkana expects that aspirant Consultants should furnish all the required documents to ensure a transparent and genuine presentation. Therefore, it is necessary to fill in the Tender Form meticulously and sign & stamp each page. Moreover, attach required supporting document according to the requirement.
- (b) It is of utmost important to fill in the Tender Form in writing in ink or type. Do not leave any column/item blank. If you want to leave the item/column un-answered please, write “Doesn’t Apply/Doesn’t Arise”. If you need more space, please attach a paper & clearly mention item/column name or number etc. that referred the column/item of the Tender Form.
- (c) Tender Documents can be obtained from the Office of the planning, Procurement & Logistics Officer or the University website <http://smbbmu.edu.pk/announcements/tender> & SPPRA EPADS System during (10:00am to 3:00pm) working days. The Tender Fees (non-refundable) Rs. 5,000/- shall be paid through Demand Draft/ Pay Order in favor of **Vice Chancellor, Shaheed Mohtarma Benazir Bhutto Medical University, Larkana.**

Stamp & Signature

4. EVALUATION CRITERIA:

(a) Maximum marks for Technical Proposal: **100**

(b) Minimum qualifying percentage is **70%**.

Applicant who secures less than 70% will be categorically disqualified for further process.

(c) Each Technical Proposal will be evaluated according to the Criteria given below:

A – Company Profile				
S#	Attributes	Max Score	Score Distribution	Marks Breakup
1	Consultants (Firms / Companies) must provide active “Sales tax & Income Tax Registration Certificates, both FBR and / or SRB at the time of submission of bidding document.	10	10	07 years or more
			7.5	Not less than 6 years
			5	Not less than 5 years
2	The firm must have at least 10 Software Engineers and Implementation Experts on company’s permanent payroll for last One (01) year in Head Office. (Attach CV of Employees)	10	10	20 or More Employees
			7.5	15 or More but less than 20
			05	10 or More but less than 15
3	Financial Strength	15	15	More than or equal to PKR 12 million average annual turnover in the last three years
			10	More than or equal to PKR 11 million and less than PKR 12 Million average annual turnover in the last three years
			5	More than or equal to PKR 10 million and less than PKR 11 Million average annual turnover in the last three years
	Total	35		

B-Project				
	Attributes	Max Score	Score Distribution	Requirements
4	Completed/In progress at least 2 similar projects in last five years including Designing, Development, & implementation of ERP/MIS/ Equivalent Software.	20	20	Completed/In progress more than 2 local or International similar projects.
			15	Completed/In progress 2 local or international similar projects.
	Total	20		

Stamp & Signature

	Attributes	Max Score	Requirements
5	Adequacy of Proposed Technical Approach and Methodology	25	a) In this you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance, and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach.
6	Adequacy of the Proposed Work Plan	20	In this chapter you should propose the main activities of the assignment, their content and duration, phasing and interrelations, milestones (including interim approvals by the SMBBMU), and delivery dates of the reports. The proposed work plan should be consistent with the technical approach and methodology, showing understanding of the project objectives and ability to translate them into a feasible working plan. A list of the final documents, including reports, drawings, and tables to be delivered as final output, should be included here.
	Total	45	

Stamp & Signature

Technical and financial proposals evaluation criteria is hereunder.

- The project award criteria will be highest total score based on the following weightage ratio:
 - 70 % Technical score
 - 30 % Financial score
- **Technical Evaluation:** The formulae for determining the Technical score is as following:
 - Technical marks obtained X 70 / 100 (minimum qualifying marks for Technical Proposal is 70)
- **Financial Evaluation:** The formulae for financial evaluation is as following:
 - Lowest financial bid offered X 30 / financial bid offered
- Financial proposals of those consultants who failed to secure minimum qualifying marks in the technical evaluation shall be returned un-opened.
- The lowest evaluated Financial Proposal will be given the maximum financial score (Sf) of 100 points. The financial scores (Sf) of the other Financial Proposals will be computed as follows:-
 - Value quoted by lowest bidder = A
 - Value quoted by second lowest bidder = B
 - Value quoted by third lowest bidder = C; and so on.
 - Financial scoring of the lowest bidder will be = 100
 - Financial scoring of the second lowest bidder will be = $(A/B) \times 100$
 - Financial scoring of the third lowest bidder will be = $(A/C) \times 100$; and so on.
- Award of Contract (Contract will be awarded to the Best Evaluated Bid). After Technical and Financial Evaluation, the contract shall be awarded to the consultant with the best evaluated bid, that is, the bid with highest accumulative technical and financial score, wherein, proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = 70%, the weight given to the Technical Proposal; F = 30%, the weight given to the Financial Proposal; T + F = 1) indicated as: $S = St \times T\% + Sf \times F\%$. The bidder achieving the highest combined technical and financial score shall be declared as winning bidder and shall be awarded contract

Stamp & Signature

5. MANDATORY CRITERIA

S #	Mandatory Eligibility Criteria *	Yes/No
1	Minimum five years of experience of the firm.	
2	Completed/In progress at least 2 ERP Development, Deployment & Implementation or similar nature projects for Public Universities of at least PKR 10 million each

ERP Implementation for SMBB Medical University

Type of Platforms & Systems

Web based application shall be developed and design shall be mobile responsive.

Key Features:

- User friendly Interface
- Web based application with mobile responsive can be accessed from a desktop, mobile, or any interface.
- Cloud based application that can be accessed anywhere from the world.
- Unlimited Users
- Different User Roles
- The system should be run on the concept of "Maker and Checker".
- Maker is the user who will add/update any data in the system.
- Checker is the user who will approve the updates done by Maker.

Departments:

Departments that shall use the system.

1. Directorate of Finance
2. Procurement and Inventory Management
3. Fixed Assets
4. Budget
5. Examination Department
6. Admission Department

Modules to be developed:

1. Core Finance:

- Implement a robust general ledger module to handle financial transactions, chart of accounts, journal entries, and financial statement generation.
- Features for managing vendor invoices, payments, and reconciliation.
- Features to track customer invoices, receipts, and aging analysis.
- Implement features for bank reconciliation, and petty cash management.
- Comprehensive financial reporting capabilities, including balance sheets, income statements, and cash flow statements.

2. Student Fee Management:

- Enable customization of fee structures based on various factors such as grade levels, courses, and fee types.
- Facilitation to manage student fee collection, generate invoices, and track payments.
- Implement features to manage fee discounts, waivers, and scholarships based on predefined criteria.
- Enable automated fee-related communication with students, parents, and guardians regarding payment deadlines and reminders.

3. Payroll Module:

- Automated Payroll Processing: Manage salary calculations, deductions, allowances, and benefits while ensuring accurate and timely payments.
- Compliance & Regulatory Adherence: Ensure payroll processes comply with all applicable regulations, including tax laws and labor policies.
- Payroll Insights & Transparency: Provide real-time payroll analytics, simplify pay slip issuance, and enhance financial visibility for HR and finance teams.

4. Budget Management:

- Features to facilitate the creation of budgets for different departments, projects, and cost centers.
- Implement features to allocate budget amounts, monitor expenditures, and track budget utilization.
- Workflows for budget requests, revisions, and approvals based on predefined hierarchy and authorization limits.
- Enable comparison of actual expenses against budgeted amounts and generate reports highlighting variances.

5. Procurement:

- Implement a module to manage purchase requisitions, including approval workflows and tracking.
- Features to maintain vendor information, track performance, and manage contracts.
- Enable creation, approval, and tracking of purchase orders for procurement activities.
- Functionality for goods receipt, invoice verification, and reconciliation with purchase orders.
- Implement features to assess vendor performance based on predefined criteria and maintain evaluation records.

6. Inventory Management:

- Features to manage item master data, including item categorization, specifications, and stock units.
- Implement inventory control mechanisms such as stock level monitoring, reorder point calculation, and safety stock management.
- Enable tracking of item movements, including receipts, issues, transfers, and adjustments.
- Mechanisms to calculate and report item valuation based on costing methods such as FIFO or average cost.
- Reports and analytics to provide insights into inventory levels, stock turnover, and stock aging.

7. Fixed Assets:

- Implement features to maintain a register of fixed assets, including asset details, acquisition dates, and depreciation methods.
- Functionality to calculate and track asset depreciation based on predefined depreciation methods and periods.
- Enable scheduling of maintenance tasks for fixed assets and track maintenance history.
- Implement features to manage the disposal of assets, including the recording of disposal details and related financial transactions.
- Comprehensive reporting capabilities to generate asset registers, depreciation schedules, and asset valuation reports.

8. Admissions:

- Features to manage student admissions applications, including online application forms, document submission, and applicant tracking.
- Enable scheduling of admission interviews, including automated notifications to applicants and interviewers.
- Implement functionality for evaluating and recording admission decisions based on predefined criteria.
- Capabilities to communicate admission-related information to applicants and parents/guardians.
- Enable enrollment of admitted students into appropriate classes based on predefined criteria and availability.
- Student Attendance Management

9. Examination Module:

- Automated Exam Management: Schedule exams, manage student registrations, generate seating plans, and track attendance efficiently.
- Grading & Results Processing: Automate grading, verify results, and generate transcripts while ensuring compliance with academic standards.
- Seamless Coordination & Communication: Enable smooth collaboration among administrators, examiners, and students with real-time updates and notifications.
- Data Accuracy & Reporting: Maintain precise academic records, generate performance reports, and provide analytics for informed decision-making.

10. Human Resource Management:

- Features to store and manage employee data, including personal details, employment history, and qualifications.
- Enable recording and tracking of employee attendance with attendance app for employees working outside the University premises
- Leave requests and approvals.
- Features for employee recruitment and onboarding
- Employee Loan and Advance Management

Deliverables:

- Detailed requirements specifications for each module.
- Developed and configured integrated enterprise solutions with specified modules.
- User-friendly interfaces for each module.
- Customizable reports, dashboards, and analytics.
- Comprehensive documentation and user guides.
- Training materials and sessions for system administrators and end-users.

Exclusions:

- Customization beyond the specified modules and functionalities.
- Hardware procurement or infrastructure changes.
- Any third-party system integrations, except for those involving banks/payment gateways or any live/operational system.
- Changes to organizational processes not directly related to the specified modules.
- Yearly maintenance, licensing and hosting after Go-live

Users Roles:

- i. Super User (The user with access to change the access of all users)
- ii. Director
- iii. Assistant
- iv. Cashier
- v. Any other as appropriate

Stamp & Signature

6. Terms & Conditions

The following terms of the purchase are agreed by the Consultant Firm/Company:
